ABC CONTRACTOR MEMBERS ARE ENCOURAGED TO PARTICIPATE IN THE SAFETY TRAINING & EVALUATION PROCESS (STEP)

Established in 1989 by the ABC National Environment, Health & Safety (EH&S) Committee, the Safety Training and Evaluation Process (STEP) program was developed and written by contractors, for contractors. There is no charge for this service and your responses are strictly confidential. Benefits include an organized approach for analyzing and developing safety and loss prevention programs; a valid, objective method for measuring safety program improvement; and a safety performance recognition useful in business development. Visit abc.org/step to learn more and to apply.

My company is interested in participating in the Safety Training and Evaluation Process: ☐ YES ☐ NO

CODE OF ETHICS

Members of Associated Builders and Contractors will strive to observe the following principles in the conduct of their businesses:

- A. Maintain a standard of performance that meets the owner's expectations and fulfills the contractor's obligations.
- B. Quote only realistic prices and completion dates and perform accordingly.
- C. Cooperate to the fullest extent with the architect and/or engineer, and other agents of the owner toward fulfillment of a common goal.
- D. Solicit quotations only from firms with whom they are willing to do business.
- E. Make all payments promptly within the terms of the contract.
- F. Observe and foster the highest standards of safety and working conditions.
- G. Establish realistic wage schedules for employees commensurate with their ability and their industry so that they may enjoy the dignity to which they are entitled.
- H. Actively participate in the training of skilled craft professionals for the future welfare of the Merit Shop industry.
